# **PROJECT “GAMING IN ACTION”** **Engaging Adult Learners with Games and Gamification**

**Project No. 2018-1-TR01-KA204-059315**

The European Project "Gaming in Action" is going to be finalized at the end of the month.

The pandemic affected many social activities and changed the development plans of many actions. There was also a change in the expiration date of the European Program "Gaming in Action" which was postponed by six months.

With this change in mind, at DIAN, we decided to re-organize two Final Events, to inform additional teachers and trainers, about the Intellectual Outcomes of the Project and to present Scientific Articles in relation to it.

After the end of the presentations, an exchange of view points between the participants will follow.

The dates and times of the Events are:

24/06/2021, 17.00-19.00

28/06/2021, 17.00-19.15

The information about the events has been published with an announcement on the DIAN website and was sent by e-mail along with the invitation and Agenda.

In order to receive the certificate of attendance, the participants need to fill in the participation form at the link sent.

On the “Gaming in Action” web site <http://www.gamificationproject.com/index.php> interested parties can find all the information about it.
